

Day 1

^ LEARN MORE ABOUT WHAT WE DO

Work your way throw the [Welcome to Visa](#) course - it is a great introduction to our culture and business! You can also find additional materials on the [New to Visa](#) page bu Visa University and the [Start @ Visa](#) page on Insite.

We also recommend getting started on our [onboarding pathway on Visa University](#). It will give you a good understanding of the payments industry, our business, VisaNet and the Data Platform. Aim to complete it by the end of your second week.
